MONCRIEF FINISHES CLOSE

STIRRING STRETCH DRIVES MARK RACING AT JACKSONVILLE COURSE.

Doctor Duenner. Antenor and McIvor Noses Apart in Order Named in Handicap Feature of Card-Judges Issue Two Disciplinary Rulings.

Jacksonville, Fla., March 10.—Well-matched fields went to the post in a majority of the races at Moncrief Park this afternoon and the last four races furnished driving finishes, with short heads separating the first two in three of these contests at the end. An exceptionally large crowd was present and, as four first choices were returned winners, the afternoon's outling was all the more enjoyable. The best fields went to the post in the third and fourth races. The third race was a six and a half furlongs handicap for three-year-olds. Dr. Duenner, the top weight and favorite, won in a strenuous drive in which he just did manage to get up in the final stride. Antenor in turn nosed out Melvor for second place. It was one of the best finishes of the meeting. Dr. Duenner is Samuel Ross' candidate for the American Derby, to be decided April 1, and, with Lahore a likely absentee, he looms as a formidable contender.

The fauth race went to Nick Stoner, and he ico.

American Derby, to be decided April 1, and, with Labore a likely absence, he looms as a formidable contender.

The fourth race went to Nick Stoner, and he, too, had to be hard ridden to beat Billy Vanderveer a head. The winner, which was pulling a hack in Brooklyn a year ago, has developed into one of the best platers racing here.

At the conclusion of the afternoon's sport the judges announced two rulings. Dave Woodford, trainer for the Beverwyck Stable, was fined \$25 for running Danfield without blinkers in the fifth race yesterday. Trainer Lucas, who is handling Ida D. for Mrs. W. G. Wilson, was fined \$50 for making remarks about jockey Hopkins' handling of the mare yesterday. Obert was again warned as to rough riding.

James Row's good three-year-old, Labore, which has been stricken with an attack of skin disease, probably will not be a starter in either the Florida Special or the Derby.

Keen sport should be in order at Monerief Park tomorrow. The program is one of the best offered at the meeting. The feature race is the Ocala Handicap, a dash of a mile and an eighth, with the guaranteed value of \$1,500. The stake will be overshadowed in point of racing importance by the third race, a seven-eighths dash, in which some of the best horses racing here are named to go.

Bambro, one of the horses that Logan Denny brought from California, died here yesterday.

S. A. Clepton purchased the mare Marie Hyde of J. L. Smith today.

C. C. Gray, who raced the good horse Con Lucy at Gloucester and the Iron Hill tracks, was an arrival today. He came from New Jersey. Otto Townsend arrived from California, a look horse con the test wards from the ruling of the judges, which suspended him for the rest of the meeting.

KING GEORGE'S RACING ARRANGEMENTS.

The king will probably be at Newmarket during the Second Spring week in May, London Truth says, if he is then able to get away from London for a day or two. His majesty's public engagements during July will prevent him from attending either of the summer meetings at Newmarket. The king and queen will be at Epsom, all being well, on Derby and-Oaks days, and the arrangements for their majesties' attendance at Ascot will be the same as during the last reign—a state visit on Tuesday and on Thursday, and the king and the princes to come privately on the other days. It is doubtful whether the king and queen will be able to go to Goodwood this year owing to their state visits to Dublin and to Edinburgh, and it so happens that the meeting is to begin on July 25, which is an unusually early day. The king is not likely to attend Doneaster, but he may be able to spare a day or two in October for Newmarket.

MARKED ACTIVITY IN JUAREZ RING.

Gladys Louise Only One to Make Good of Several Horses on Which Plunges Are Made.

El Paso, Tex., March 10.—Although class was noticeable by its absence on the program provided for today at Juarez, a fine crowd was in attendance and enjoyed a good day's sport, the racing being of the formful kind and the finishes well contested in a majority of instances. The most promising race of the day was marred to some extent by the withdrawal of Al Muller and Quartermaster. Bobby Boyer was made a strong favorite, which confidence he justified by winning after a furious struggle with Dr. Smoot, the two running like a team throughout.

LINCOLNSHIRE AND GRAND NATIONAL.

101.

The Lincoln meeting occupies the first three days of the week. The Liverpool Spring meeting fills the last three. The Grand National Steeplechase is the great feature here. It will be run Friday, March 24, and will be contested by the usual big field. For some reason no disposition to back anything heavily had manifested itself up to latest advices, but at 100 to 11 Jerry M., 176 pounds, was the favorite, with the French horse, Lutteur III., that won this race two years ago, second choice at 100 to 8. His weight is 171 pounds, the only carried 151 pounds when he won from Judas, Caubeen and twenty-nine other jumpers in 1909. At 20 to 1 Glenside, 143 pounds, has been well supported, and there has been hacking for Carsey, Judas, Trianon III., another French candidate. Rathnally, Cackler, Ashbrooke, Feltar's Pride and others, including last year's winer, Jenkinstown.

RACING TAX FIXED IN TORONTO.

As presented to the House last week the Provincial Treasurer's bill to amend the supplementary revenue act by providing for a number of taxes on railways, stock transactions, race meetings and other things showed lack of knowledge of existing conditions in Ontario racing. Though no doubt meant to apply to horse races, the noble animal is not mentioned in the bill, and the running races might be between men or whippets, so far as can be told by reading it. Apparently it was not known that at all the half-mile harness meetings throughout the Province there is usually one running race a day. The bill had two clauses, one dealing with trotting meetings and the other with meetings "at which there are running races." As the harness to class them all together, which was not Colonel Matheson's intention. This was pointed out yesterday by a depution representing the driving clubs of this city and the Ontario Trotting and Racing Circuit, and the desired amendment was made. The deputation did a little better than that, too. It got the tax or license for these four-day mixed meetings histed at the flat rate of \$10 a day. It had been gradiated, reaching \$60 for three-day meetings, with four-day meetings not calculated on at all. The exclusively running meetings, lasting seven days, will pay \$200 a day in advance. No distinction is made between meetings at which there is betting and those at which there is not, as, for instance, the Toronto Exhibition. The bill is purely one of revenue, and no particular reason exists why race meetings should be selected for the purpose any more than baseball, basketball, football, hockey, lacrosse, theattricals or any form of entertainment which her is also no reason why it should not tax race meetings rather than some of the other things.—Toronto Globe.

STEPFATHER ONLY SUCCESSFUL FAVORITE

Tampa, Fla., March 10.—Ladies' day, the final one of the season, was responsible for a big attend-dance at the West Tampa course this afternoon. The racing was again replete with upsets, all the favorites failing with the exception of Stepfather. The latter engaged in the race for gentlemen riders, featuring the card, and won in decisive fashion. His owner-rider, Mr. Alderman, received an ovation. The main upset of the afternoon came in the opener when Watch Me, at one to five, and the shortest-priced favorite of the meeting, failed to land any portion of the purse.

Notices were posted during the afternoon informing horsemen that there would be an extension of the racing for three days next week, with a possible further extension. Most of the purses will be of \$100 value.

Condition books for the spring racing at King Edward Island and Delorimier Park were received by horsemen today, and many have signified their intention of shipping to these Canadian points later on.

Dick Rose and Friend Virgil have terminated their

on.

Dick Rose and Friend Virgil have terminated their racing careers, having been sold for general pur poses and shipped to farms.

Rodman pulled up lame after the finish of the second race and probably will not again be started until fall.

Judge Burke and Secretary Smith will spend several days at Jacksonville if there is an interval between closing time here and the opening at Pensacola.

Winning Wires!

Having had thirty-five years' experience on race tracks, I know almost every owner, jockey and trainer. I get the best information obtainable and figure that a few more people might as well profit by my inside knowledge. If you are in the hole, my wires will help you out. This is no scheme, as you can quickly prove by writing me for full particulars, which are too lengthy to explain here.
